

# NEED TO GROW BUT SBA's TOO SLOW?

## Product Overview

Auburn Investment Group is pleased to announce our new revenue based lending product for companies showing more than \$3,000,000 in gross revenues annually. This is a pure term loan based solely off of company revenue and available collateral. It is perfect for the customer that needs working capital to purchase equipment, inventory, or to establish reserves during long AR payback periods.

## Rough Terms

- Minimum loan size: \$500,000
- Rates: 1.5-2.25% per month
- Term: 12-60 months
- Amortization: matches the term
- Origination fee: 4%
- Closing timeframe: 25-30 days
- Pre-approvals in as little as 5 business days
- Business types: All are considered on a case-by-case basis
